IN HARMONY WITH ITS MISSION, EMPIRE BEAUTY SCHOOL HAS ESTABLISHED THE FOLLOWING GOALS:

- To offer students real-life based programs developed by faculty and staff through regular assessment and consultation with other educators, industry leaders, and potential employers of our students
- To offer day and evening scheduling options to accommodate the distinctive needs of both traditional and nontraditional students
- To assist students in realizing their potential by establishing basic skills assessment and developmental evaluation
- To provide student services that contribute to students' success and achievement
- To provide career development strategies and employment assistance to facilitate students' successful transition to their careers
- To provide highly motivated and qualified graduates to meet the current and projected needs of the employers we serve

The goals of Empire Beauty School are simple. We want to teach students the best possible salon-centric education and techniques for becoming successful in the cosmetology profession.

For more than 80 years, Empire Beauty School has been providing quality cosmetology education for future professionals. In 1935, the first Empire Beauty School opened in Wilkes-Barre, PA, growing to more than 20 schools in Pennsylvania within a few years.

In 2000, Empire Beauty School acquired Capelli Learning Center in Atlanta, GA. Finding the market to be a good match with Empire Beauty School's philosophies, the company now operates 6 schools in Georgia. That same year Gordon Phillips Schools of Beauty Culture was acquired, giving Empire Beauty School an expanded presence on the East Coast with additional schools in Pennsylvania, Maryland, and Southern New Jersey.

Over the next 10 years, Empire Beauty School expanded through acquisitions, partnerships, and new location development. Today there are Empire Beauty Schools in 21 states.

All of Empire Beauty Schools have tastefully decorated interiors, spacious classrooms, and modern equipment. The Student Salon area of each facility is designed so that students acquire practical experience through servicing guests with a complete menu of hair, skin, and nail services. All services are performed by senior-level supervised students.

Each school houses a library of continuing education aids, which include copies of textbooks, periodicals, DVD's, and other reference materials that support the education process. Students receive an education kit, containing equipment designed for use throughout their program. Classes covering hair, skin, nails, and makeup techniques as well as career readiness, sales, and marketing seminars are incorporated into the curriculum. Top professional educators, hair designers and manufacturers' technical representatives offer demonstration seminars and workshops for our students to keep current with the newest products, equipment, and design trends in the fashion-forward beauty industry.

Empire Beauty School includes demonstration and lecture classrooms, a library, a fully equipped Student Salon floor, Student lounge, dispensary, and faculty and administration offices to assist Students in becoming quality professionals capable of meeting the demands of the salon and spa industry. All Empire Beauty Schools meet or exceed the requirements established by our state licensing authorities.

FINANCIAL ASSISTANCE

There are three types of federal Student aid, known as Title IV Funding, available to Students who qualify:

1.) FEDERAL PELL GRANT (PELL)

Pell grants are awarded by the Department of Education to undergraduate students with financial need to help pay for college. The Pell Grant, unlike loans, does not need to be repaid (unless, for example, you withdraw from school and owe a refund). The amount of the Pell grant could change yearly and depends on your Expected Family Contribution (EFC), the cost of attendance, your status of full-time or part-time, and whether you attend for a full academic year or less.

2.) FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG) & EMPIRE BEAUTY SCHOOL FSEOG MATCH

These types of grants are awarded to undergraduate Students with exceptional financial need – those with the lowest Expected Family Contribution (EFC). The amount of the award will be determined by the school's Financial Assistance Office.

3.) WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM

Student loans, unlike grants, are borrowed funds that must be repaid with interest. Loans made through this program are referred to as Direct Loans. Eligible Students and parents borrow directly from the U.S. Department of Education.

There are three types of loans in the program:

- **Subsidized Stafford Loan** – A Student can borrow this type of loan to cover some or all of their school expenses. The U.S. Department of Education pays the interest while you're in school at least half-time and during the grace period. The amount of the loan cannot exceed a Student's financial need or the annual loan limit. The fixed interest rate for 2024-2025 is 6.53%.
- **Unsubsidized Stafford Loan** – A Student can borrow this type of loan up to the annual loan limit to cover some or all of their school expenses. The U.S. Department of Education does not pay interest on unsubsidized loans. The Student is responsible for paying the interest that accrues on the loan from the time the loan is disbursed until it's paid in full.
The fixed interest rate of 6.53% can be paid while attending school, during a period of deferment or forbearance, or it can be accrued and the interest added to the principle amount of the loan.
- **PLUS Loans** – Parents of dependent Students can borrow from the PLUS Loan program. The terms and conditions of this type of loan include a requirement that the applicant has a favorable credit history, a repayment period that begins on the date of the last disbursement of the loan, and a fixed interest rate of 9.08%.

In case of a failure (F-Below 70), the Student will have the option to retake the assessment up to two times. The first passing grade will be recorded. The Enrichments are evaluated on a Pass or Not Passed basis. Satisfactory completion is needed in the following areas: General Safety and Technical Skills.

EVALUATIONS

Evaluations will determine if the student has met the minimum requirements for SAP. The frequency of evaluations ensures that students have had at least one evaluation by the scheduled midpoint of the program.

An academic year consists of 900 clock hours over a period of not less than 26 weeks. All evaluations will be completed within seven (7) school business days following each established evaluation period.

SAP is evaluated based on scheduled hours at the following intervals:

Cosmetology 1550 hours	HOURS	FULL-TIME WEEKS	PART-TIME WEEKS
Payment Period 1	450	13	26
Payment Period 2	900	26	52
Payment Period 3	1225	35	70

Esthetics 600 hours	HOURS	FULL-TIME WEEKS	PART-TIME WEEKS
Payment Period 1	300	9	18

Program not approved at Spring Lake Park Location.

Students will be provided written notice of their SAP standing at the time of evaluation. Copies of evaluations and appeal results will be kept in the Student's file. Students that take a leave of absence (LOA) due to pregnancy and related conditions, withdraw and re-enroll will return under the same SAP status as when they left, regardless of how long they have been out. For Students that re-enroll more than 180 days after their last date of attendance, evaluation periods will be determined based on the new contracted hours. To be considered making SAP or to re-establish SAP the Student must meet both the cumulative Academic and Attendance requirements of 75%. If there is any additional information like a grade change or attendance correction that may have an impact on SAP, the institution will recheck SAP using the new information.

At the time of evaluation a Student will be in one of three statuses:

- 1. Satisfactory** – Requires no action by Student or school. Maintains status until next evaluation.
- 2. Warning** – Not meeting Satisfactory Academic Progress Standards. Requires no action by the Student, aid eligibility is retained until next evaluation.
- 3. Unsatisfactory** – Student has the right to appeal but must do so in writing. If appeal is granted Student will be put on Probation until next evaluation period and is eligible for aid. If appeal is denied or Student does not file a written appeal Student shall be terminated.

WARNING AND UNSATISFACTORY STATUS

Students who fail to meet SAP at the end of a payment period are automatically placed on Warning Status.

Students may continue to receive Title IV assistance for one payment period while on Warning status. If the Student does not achieve SAP by the end of the Warning Status, the Student will be placed on Unsatisfactory Status, and eligibility, if applicable for Title IV program funds, will cease.

A Student has the right to appeal an Unsatisfactory Status. Providing that the following conditions are met, a Student may be placed on probation and allowed to receive Title IV funds for the subsequent payment period:

- a.** Any Student seeking an appeal must do so in writing. Students that do not appeal shall be terminated.
- b.** The institution must determine that the Student should be able to meet the institution's SAP requirements at the end of that payment period.
- c.** The Student must have a basis to file an appeal. Acceptable reasons might include the death of a relative, an injury or illness of the Student, or other special circumstances. The Student must document what caused the failure to meet the standards and must also explain what has changed in their situation that will allow them to demonstrate SAP at the end of the next payment period. The Student must submit all information relating to the appeal in writing within 10 school business days of being notified of being put on Unsatisfactory Status. If the appeal is granted, the Student will remain eligible for Title IV funds during the Probation period.
- d.** If the Student meets the SAP requirements at the end of the probation period, the Student will be removed from probation and will be considered making SAP. If the Student does not meet SAP requirements by the end of the probation period, they will be considered not making SAP and where applicable will lose eligibility for Title IV. The Student shall also be terminated from the program.

A Student seeking reinstatement after termination caused by not meeting SAP or official interruption must first meet with the School Executive Director. The Executive Director will determine if the Student is eligible to re-enroll. If a Student applies for reinstatement, he/she must document the ability to successfully complete the program and certify that the causes of previous difficulties have been rectified. Students who ceased attendance while not making SAP will return as not making SAP. They will be allowed to continue their education but where applicable, are not eligible for Title IV program funds unless they are able to re-establish SAP during a specified period of time.

MAXIMUM TIME FRAME

Maximum time frame for Students is 133% of the Enrollment Period. If, due to attendance or academic problems, a Student must attend additional Program hours beyond the 133% Maximum Program Length in order to complete the Program, the Student's Enrollment Agreement will terminate. The Student may be permitted to complete the program on a cash-pay basis by submitting a request for re-enrollment. A leave of absence extends the student's contract period and maximum time frame by the same number of days taken in the leave of absence.

BUYER'S RIGHT TO CANCEL

The following refund policy is for all Students, excluding persons enrolled under provision of Title 38, United States Code (Veterans). For Students who are eligible for veteran's educational benefits - Per 38 CFR 21.4254(c)(13) and 4255, the pro-rata policy will be applied to the entire period of time unless the school's refund policy is more favorable to the student.

If your application is rejected, you will receive a full refund of all tuition, fees, and other charges. You will be entitled to a full refund of tuition, fees, and other charges if you give notice that you are canceling your contract within 5 business days after the contract or enrollment agreement is considered effective. A contract or enrollment agreement will be presumed to be effective on the date that the school notifies you that you have been accepted into the school and you have signed the contract or enrollment agreement. If the notification of acceptance into the school is sent by mail, then the effective day of being accepted is the postmark on the acceptance letter.

This five-day refund policy applies regardless of when the program starts. If you give notice more than 5 days after you signed the contract, but before the start of the program (or first lesson for an online distance education program), you will receive a refund of all tuition, fees, and other charges minus 15%, up to \$50, of the total cost of the program. If you withdraw after the start of your program and it has been more than 5 days after you signed the contract, you will receive a pro-rated refund of the entire cost of your program based on your last day of attendance. You will be provided a prorated tuition, fees, and other charges refund minus your initial application fees, up to \$50, and minus the less or 25% of the total tuition or \$100. Proration is based on whether your program is term-based or clock hours and how much of the program you have completed.

If your program is term-based, the completion rate is the number of calendar days from the first date of the program through your last documented date of attendance divided by the length of the program.

The completion rate is calculated to the second decimal point (.XX). If your program is clock-hour based, the completion rate is the number of clock hours you actually attended divided by the number of clock hours in the program. The completion rate is calculated to the second decimal point (.XX)

If you withdraw from your program after 75.00% of the program has completed, you are not entitled to a refund of tuition, fees, and other charges.

You will receive written notice acknowledging your withdraw request within 10 business days after receipt of the notice and you will receive a refund of any tuition, fees, and other charges within 30 business days of receipt of your withdrawal. Any mailed notice is effective as of the date of the postmark if sent by mail or the day it has been hand-delivered to the school. Notice to withdraw may also be given by email or verbally, including a voicemail, to the school's Executive Director.

If you do not withdraw in writing or contact the school about your absence and you have not attended your program or contact the school about your absence for 14 consecutive days, you will be considered to have withdrawn from the school as of your last date of attendance. Your school is responsible for sending you a written notice of cancellation if you are withdrawn for failing to attend to your last known address. The confirmation from the school must state that the school has withdrawn your enrollment, and if this action was not the student's intent, the student must contact the school.

You may be entitled to a refund of your equipment and supplies costs if you return your equipment and supplies within 10 days of withdrawing if your supplies are in a condition suitable for resale. If you do not return your equipment and supplies or the supplies are not in a condition suitable for resale, this cost will be deducted from your tuition, fee, other charge refund that you may be eligible for.

Enrollment Time means the amount of actual hours completed between the Students' first day of attendance in the Program to the last day the Student actually attended class. Total Time means the total hours of instruction for the Program in which the Student is enrolled. School Officials monitor Student attendance every day. If a Student on an approved leave of absence due to pregnancy and related conditions notifies the school that they will not be returning, the date of the withdrawal determination shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the institution that the Student will not be returning.

If the selected Program is cancelled subsequent to Student's enrollment, but before Student started class attendance, the School shall provide Student with a full refund of all monies paid by Student or provide alternative means for the Student's completion of the Program

If the school permanently closes and no longer offers instruction after the Student has begun classes, all tuition for the program shall be refunded to the Student or appropriate state or federal agency or private lender that provided any funding for the program and any outstanding obligation of the student for the program is cancelled.

If the School cancels a course and/or program and ceases to offer instruction after the Student has enrolled and instruction has begun, the school shall provide a completion of the course and/or program; or provide a pro-rata refund for all Students transferring to another school based on the hours accepted by the receiving

school.

Where required, all refunds due will first be made to the source that provided funding before any refund will be paid to Student.

If Student enrolls with the School and starts actual class attendance and Student either withdraws from the selected Program or the School dismisses Student from the selected Program for a violation of the School's Policies, this may result in a return of Federal Student Financial Assistance (Title IV Funds).

Return of Title IV Funds and Refund Policy. The law specifies how Empire Beauty School must determine the amount of Title IV Program Funds that you can earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Stafford Loans, Plus Loans and Federal Supplemental Educational Opportunity Grants (FSEOG).

When you withdraw during a payment period, if the amount of Title IV program funds up to that point received on your behalf less assistance is less than the amount that you earned, you may be able to receive those additional funds.

If you received more assistance than you earned, the School must return the excess funds.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of your payment period, you earned 30% of assistance that you were originally scheduled to receive. Once you have completed more than 60% of the payment period, you earn all the assistance that you were scheduled to receive.

If you are due a post-withdrawal disbursement, the Student may choose to decline loan funds so that you do not incur additional debt. Empire Beauty School may automatically use all or a portion of a post-withdrawal disbursement (including loan funds if eligible) for tuition and fees. If you allow the School to keep the funds, it will reduce your debt to the school.

Because of other eligibility requirements, there may be some Title IV program funds that you were scheduled to receive which are not available once you withdraw. For example, if you are a first-time, first-year undergraduate Student and you have not completed the first 30 days of your program before you withdraw, you are not eligible for any Direct Stafford Loan Funds that you would have received had you remained enrolled past the 30th day.

If you receive (or your school or parent receive on your behalf) excess Title IV program funds that must be returned, your school must return the portion of excess equal to the lesser of:

1. Your institutional charges multiplied by the unearned percentage of your funds, or
2. The entire amount of excess funds.

The School must return this amount even if it didn't keep this amount of your Title IV program funds.

If the School is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an overpayment. The amount of a grant overpayment that you must repay is half of the unearned amount. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

The requirement for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the School to cover unpaid institutional charges. Empire Beauty School may also charge you for any Title IV program funds that the School was required to return. Empire Beauty School's refund policy is also printed in the catalog. Also printed in the catalog are the requirements and procedures for officially withdrawing from school.

It also includes guidelines for the investigation of complaints and enforcement of the Policy. Please address any questions regarding the Policy to the Title IX Coordinator - titleix@empire.edu.

NONDISCRIMINATION STATEMENT

Empire Beauty School is committed to providing a safe educational environment which is free of violence, harassment and discrimination. Therefore, in accordance with Title IX of the Education Amendments of 1972 and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), along with its amendments made pursuant to the Violence Against Women Reauthorization Act of 2013 (VAWA), Empire Beauty School has adopted strict policies regarding these matters. Students should refer to the Campus Safety and Annual Security Report provided during the admission process for detailed information. Additional copies can be obtained from the Executive Director or when updated Reports are distributed annually.

PREGNANCY AND RELATED CONDITIONS POLICY

Empire Beauty School has developed a "Pregnancy and Related Conditions Policy" prohibiting discrimination in its education program or activity on the basis of current, potential or past pregnancy or related conditions as mandated by Title IX of the Education Amendments of 1972 (Title IX). This policy and its pregnancy-related protections apply to all pregnant persons, regardless of gender identity or expression.

The full policy is available by visiting <https://www.empire.edu/consumer-information/titleix>. Students who are pregnant or are experiencing related conditions may contact the Title IX Coordinator by emailing TitleIX@empire.edu to request a Reasonable Modification based on their individual needs. Students may also contact the Title IX Coordinator to initiate a Leave of Absence (LOA) Due to Pregnancy and Related Conditions. Please refer to the Leave of Absence (LOA) Policy Due to Pregnancy and Related Conditions for additional details.

LEAVE OF ABSENCE POLICY DUE TO PREGNANCY AND RELATED CONDITIONS

A leave of absence (LOA) is a temporary interruption in a student's program of study that is deemed medically necessary by a Student's healthcare provider because of pregnancy and/or the birth, adoption, or placement of a child. In order to be placed on a leave of absence, the student must:

1. Complete and sign the school's Leave of Absence Due to Pregnancy and Related Conditions Request Form in advance, unless unforeseen circumstances prevent the student from doing so*
2. Must state the reason for the leave of absence (LOA) request
3. Be approved by the Title IX Coordinator or designee

LOA requests can be approved for a minimum of five (5) consecutive calendar days and may not exceed 180 calendar days in a 12-month period. A leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the LOA. The student is expected to return to school on the next school day following the end of the LOA. An Addendum to the Enrollment Agreement will be completed upon return from the LOA to extend the contract end date by the applicable number of days and must be signed and dated by all parties.

Failure to be approved for an LOA or to return from LOA will result in the termination of the student's enrollment agreement. The student will be responsible for any remaining balance after the refund calculation is completed. The withdrawal date for the purpose of calculating a refund is always the student's last date of attendance.

In order to grant an LOA, there must be the expectation that the student will be returning to school. A student that is granted an LOA that meets these criteria is not considered to have withdrawn and no refund calculation is required at that time.

LEAVE OF ABSENCE POLICY DUE TO PREGNANCY AND RELATED CONDITIONS (CONTINUED)

There will be no additional charges for an LOA. For federal aid recipients, the student's payment period is suspended during the LOA and no federal student aid monies can be disbursed during the LOA. Upon the student's return, the student will resume the same payment period and coursework and will not be eligible for additional Title IV aid until the payment period has been completed. If the student is a Title IV loan recipient, the student will be informed of the effects that the student's failure to return from a leave may have on the student's loan repayment terms, including the expiration of the student's grace period.

*In special circumstances, the school may grant a leave of absence to a student in the case of medical emergency that would prevent the student from requesting the leave of absence prior to the incident occurring. In these cases, the school will collect the request from the student at a later date and document the reason for granting the LOA after the incident occurred. The beginning date of the LOA will be based on the first date it has been determined that the student cannot participate in class due to the circumstances listed above.

Therefore, prior to release of information a "Student Authorization to Release Educational Records" form must be filled out by the eligible Student for every request of Student information to a third party. Information is released only on the condition that the party to whom the information is disclosed will not disclose the information to any other party without the prior consent of the eligible Student or Parent/ Guardian. A "Student Authorization to Release Educational Records" form is not required for Students, Prospective Students, or Guardian(s) of dependent minor Students wishing to review their own records or for legal or accreditation purposes.

School staff members and administrators who the School deems to have a "legitimate educational interest" have access to Students' information as required to perform duties that are specific to their position. Section 99.37 of FERPA permits the School to disclose, upon request, directory information without the Student's consent unless the Student has otherwise directed the School in writing. Directory information may include Student's name, address, telephone number, date and place of birth, field of study, dates of attendance (meaning a period of time during which a Student attended and not specific daily records of a Student's attendance) and degrees / awards received. FERPA also permits release of personally identifiable, non- directory information in connection with a health or safety emergency that presents imminent danger. In this situation, the School will make the determination to release information based on the totality of the circumstances pertaining to a threat to the health or safety of a Student or other individuals. If the School determines that there is an articulable and significant threat to the health or safety of a Student or other individuals, the School will disclose information to any person whose knowledge of the information is necessary to protect the health or safety of the Student or other individuals. Student or parent/ guardian complaints regarding alleged FERPA violations can be filed in writing with the U.S Department of Education's Family Policy Compliance Office.

A Student shall be permitted to review his/her record on file with the School within seven (7) days after the School has received the Student's written request to review his/her records in accordance with the manner set forth in this Catalog or any Supplement to this Catalog. An eligible Student or parent /guardian of a dependent minor Student may seek to amend education records that the Student or parent/guardian believes to be inaccurate, misleading, or otherwise in violation of the Student's privacy rights. The School will make a determination on the Student's request for amendment within 30 days of the request. If the School agrees that the information is inaccurate, misleading or otherwise in violation of the privacy rights of the Student, the School will amend the record accordingly and inform the parent or eligible Student in writing that the record was amended. If the School decides not to amend the record, the Student has a right to a hearing within 30 days of the denial. The School will notify the parent/ guardian of a dependent minor or eligible Student of the time, date and place of the hearing. The decision of the hearing will be sent to the parent or eligible Student in writing and will be based solely on the evidence presented in the hearing. If the decision not to amend the record is determined, the parent or eligible Student has the right to place a statement in the Student's file contesting the information in the record.
